

FOR IMMEDIATE RELEASE:

CHETCO BREWING COMPANY EXPERIENCES STATEWIDE LOVE... AGAIN!

Brookings, Oregon - February 15, 2023 - An adventure is brewing on the Southern Oregon Coast where you'll find a Top 100 Best "Fan-Favorite" Destination in Oregon for 2023 - [Chetco Brewing Company](#)! From humble beginnings (with an 8 gallon pot in the owners garage and a borrowed pop-up at local events and farmers markets) on the Chetco River, Chetco Brewing Company has grown into an award winning, must-stop brewery in the heart of Brookings, Oregon.

[Oregon Business](#), an award winning magazine founded in 1981, scoured over 80,000 online reviews and tallied the scores to create their 5th Annual 100 Best "Fan-Favorite" Destinations in Oregon list and Chetco Brewing Company made the list again! This small town brewery was one of two Oregon breweries to make the list in 2020... then COVID brought travel to halt until last year. Oregon Business has brought back their Top 100 Fan Favorites for 2023 and it includes winners from all over the state and all types of businesses from parks to resorts to museums to restaurants. Chetco Brewing has put Brookings on the map by being the *only* brewery to make the list this year.

Oregon Business determines their Top 100 Destinations list by analyzing online reviews and ranking them based on the number of 4 and 5-star reviews compared to the overall number of Reviews.

The Top 100 List is just the beginning for Chetco Brewing Company in 2023. Earlier this month, they celebrated five years at the current location, 830 Railroad Street in Brookings. In April, Chetco Brewing Company will celebrate 10 years of hand-crafting beer in the Banana Belt with a 10 year anniversary party.

Chetco Brewing Company began brewing in Brookings in 2013 in a brewing set up in the owners' garage on the Chetco River and now operates out of a 10,000 square foot brew space and Tap Room, with at least 20 craft beers on tap, food trucks, live music, free games, an event space, and a variety of special events, including a 10 year celebration in April.
